3 | ARNECC Model Operating Requirements – Consultation Draft 6 – Dated December 2019
1 PRELIMINARY

These Operating Requirements constitute the Operating Requirements determined by the Registrar pursuant to section 22 of the ECNL.

2 DEFINITIONS AND INTERPRETATION

2.1 Definitions

2.1.1 A term used in these Operating Requirements and also in the ECNL has the same meaning in these Operating Requirements as it has in that legislation (unless the term is defined in these Operating Requirements).

2.1.2 In these Operating Requirements capitalised terms have the meanings set out below:

ABN means an Australian Business Number and has the meaning given to it in the A New Tax System (Australian Business Number) Act 1999 (Cth).

Access Credentials means a User identification and password, and any other details, required for a Person to access the ELN.

Additional Operating Requirements means the additional Operating Requirements specific to the Registrar’s Jurisdiction, if any, set out in Schedule 4, as amended from time to time.

Amendment to Operating Requirements Procedure means the procedure set out in Schedule 6, as amended from time to time.

Annual Report means the report referred to in Operating Requirement 18.2.

Application Law has the meaning given to it in the ECNL and in South Australia is the Electronic Conveyancing National Law (South Australia) Act 2013 (SA) and in Western Australia is the Electronic Conveyancing Act 2014 (WA).

Approval means, in respect of an ELNO, the ELNO’s approval by the Registrar pursuant to section 15 of the ECNL to provide and operate an ELN.

Approved Insurer means a general insurer within the meaning of the Insurance Act 1973 (Cth).

ASIC means the Australian Securities & Investments Commission or its successor.
Back End Infrastructure Connection means a connection between an ELNO and a:

(a) Land Registry; or
(b) Duty Authority; or
(c) Certification Authority; or
(d) Person that provides financial settlement services to an ELNO other than in that Person’s capacity as a Subscriber.

Business Continuity and Disaster Recovery Management Program means the program referred to in Operating Requirement 12.1.

Business Continuity and Disaster Recovery Plan means a documented plan forming part of the Business Continuity and Disaster Recovery Management Program setting out how an ELNO will respond to an Incident to restore continuity and enable recovery.

Business Day has the meaning given to it in the ECNL.

Business Plan means a Document setting out a detailed description of the ELNO’s business as it relates to the operation of the ELN, including its:

(a) products and/or services and delivery schedule; and
(b) financial, marketing and operational objectives and how these objectives will be achieved.

Business Rules means the documented statements of a Land Registry’s business requirements and practices that define or constrain:

(a) the preparation of electronic Registry Instruments, Information Reports and other electronic Documents or information provided to a Land Registry; and
(b) the presentation for Lodgment or providing of electronic Registry Instruments, Information Reports and other electronic Documents or information with or to a Land Registry, provided by the Registrar to the ELNO from time to time.

2.2.9 A reference to dollars is to Australian dollars.

2.2.10 Where general words are associated with specific words which define a class, the general words are not limited by reference to that class.
2.2.11 The Operating Requirement headings are for convenience only and they do not form part of these Operating Requirements.

2.2.12 The word “or” is not exclusive.

2.2.13 Where there is any inconsistency between the description of an ELNO’s obligations in an Operating Requirement and in a schedule to these Operating Requirements, the Operating Requirement will prevail to the extent of the inconsistency.

3 COMPLIANCE WITH OPERATING REQUIREMENTS

The ELNO or Potential ELNO must:

(a) as a qualification for approval, be able to comply with these Operating Requirements at the time the Potential ELNO applies for Approval; and

(b) comply with these Operating Requirements and any conditions on the Approval whilst an Approval is held by the ELNO; and

(c) continue to comply with Operating Requirements 19 and 21 after the ELNO ceases to hold an Approval,

unless the Registrar, in his or her absolute discretion, waives compliance by the ELNO with any Operating Requirement in accordance with section 27 of the ECNL.

4 ELNO ELIGIBILITY CRITERIA

4.1 ABN

The ELNO must have an ABN and be registered for GST.

4.2 Status

The ELNO must:

(a) be a corporation registered under the Corporations Act; and

(b) if it is a foreign body corporate, be registered under Division 2 of Part 5B.2 of the Corporations Act and obtain any necessary approvals under the *Foreign Acquisitions and Takeovers Act 1975* (Cth); and

(c) ensure that the constituting Documents of the ELNO empower the ELNO to assume the obligations set out in these Operating Requirements and to do all things that it can reasonably contemplate will be required by these Operating Requirements.
4.3  Character

4.3.1  The ELNO must be of good corporate character and reputation and, without limitation, must:

(a)  ensure that the ELNO is not and has not been subject to any of the matters listed in below:

(i)  an Insolvency Event within the last five years; or
(ii) a conviction for fraud or an indictable offence or any offence for dishonesty against any law in connection with business, professional or commercial activities; or
(iii) disqualification from managing a body corporate under the Corporations Act; or
(iv) any fine, banning, suspension or other disciplinary measure for financial or professional misconduct; or
(v) any disciplinary action of any government or governmental authority or agency, or any regulatory authority of a financial market or a profession; or
(vi) any refusal of membership or revocation of membership of any financial markets, legal or accounting professional organisation or body on the grounds of financial or professional misconduct, fraud or dishonesty; or
(vii) any refusal of an application to provide an electronic Lodgment service; or
(viii) any current suspension of an Approval under Operating Requirement 20.1(a) in any Jurisdiction; or
(ix) any revocation of an Approval under Operating Requirement 20.1(b) in any Jurisdiction; and

(b)  take reasonable steps to ensure that the ELNO’s principals, directors, officers, employees, agents or contractors are not and have not been subject to any of the matters listed below:

(i)  an Insolvency Event within the last five years; or
(ii) a conviction for fraud or an indictable offence or any offence for dishonesty against any law in connection with business, professional or commercial activities; or
(iii) disqualification from managing a body corporate under the Corporations Act; or
(iv) any fine, banning, suspension or other disciplinary measure for financial or professional misconduct; or

(v) any disciplinary action of any government or governmental authority or agency, or any regulatory authority of a financial market or a profession; or

(vi) any refusal of membership or revocation of membership of any financial markets, legal or accounting professional organisation or body on the grounds of financial or professional misconduct, fraud or dishonesty; or

(vii) any refusal of an application to provide an electronic Lodgment service; and

(c) take reasonable steps to ensure that the ELNO’s principals, directors or officers are not and have not been a principal, director, partner, officer of an ELNO that is or has been subject to any of the matters listed below:

(i) any refusal of an application to provide an electronic Lodgment service; or

(ii) any current suspension of an Approval under Operating Requirement 20.1(a) in any Jurisdiction; or

(iii) any revocation of an Approval under Operating Requirement 20.1(b) in any Jurisdiction.

4.3.2 The ELNO must maintain contemporary best practice governance arrangements that are suitable for their intended use and regularly reviewed.

4.4 Financial resources

The ELNO must demonstrate sufficient financial resources to meet its obligations under these Operating Requirements.

4.5 Technical resources

The ELNO must demonstrate sufficient technical resources to meet its obligations under these Operating Requirements.

4.6 Organisational resources

The ELNO must demonstrate sufficient organisational resources to meet its obligations under these Operating Requirements.

4.7 Insurance

4.7.1 The ELNO must obtain the insurance policies required under these Operating Requirements on terms satisfactory to the Registrar in accordance with this Operating Requirement.

4.7.2 The ELNO must maintain a policy of:
(a) professional indemnity insurance in an annual aggregate amount of not less than that set out in Item 1 in Schedule 1; and

(b) fidelity insurance in an annual aggregate amount of not less than that set out in Item 2 in Schedule 1; and

(c) public and product liability insurance in an annual aggregate amount of not less than that set out in Item 3 in Schedule 1; and

(d) asset insurance in an amount of not less than that set out in Item 4 in Schedule 1.

4.7.3 The ELNO must obtain its insurance policies from an Approved Insurer.

4.7.4 The ELNO must obtain policies of professional indemnity and fidelity insurance that cover the acts and omissions of its principals, officers and employees.

4.7.5 The ELNO must ensure that any contractors to the ELNO maintain relevant and appropriate policies of insurance from an Approved Insurer to adequately cover the services provided by the contractor.

4.7.6 The ELNO must, as soon as practicable, inform the Registrar in writing of the occurrence of an event that may give rise to a claim under a policy of insurance required to be maintained under these Operating Requirements and must ensure that the Registrar is kept fully informed of subsequent action and developments concerning the claim.

5 OPERATION OF ELN

5.1 Encourage widespread industry use

The ELNO must encourage widespread industry use of the ELN. As a minimum, the Business Plan must set out the ELNO’s:

(a) specific plans to encourage the use of the ELN nationally and in the Jurisdiction; and

(b) proposed service delivery model, including the proposed or actual customer base and anticipated market penetration; and

(c) timings for the commencement of operations and the anticipated level of service, including matters such as ease of connection and access for different classes of users.

5.2 National system and electronic Registry Instrument and other electronic Document capability

Recognising that the implementation of Operating Requirements 5.2(a), (b), (c) and (d) may be reasonably staged in accordance with the Business Plan, the ELNO must ensure that:
(a) the ELN is available to each Land Registry in Australia capable of receiving electronic Registry Instruments and other electronic Documents from an ELN and to Subscribers in all States and Territories in Australia; and

(b) the ELN enables the Lodgment of those of the following electronic Registry Instruments and other electronic Documents which are capable of Lodgment in the Jurisdiction:

(i) Transfer; and

(ii) Mortgage; and

(iii) Discharge/Release of Mortgage; and

(iv) Caveat; and

(v) Withdrawal of Caveat; and

(vi) Priority Notice; and

(vii) Extension of Priority Notice; and

(viii) Withdrawal of Priority Notice; and

(ix) associated Duty Authority notices; and

(x) administrative notices required to manage certificates of title; and

(c) the ELN enables the Lodgment of any electronic Registry Instruments and other electronic Documents not listed in Operating Requirement 5.2(b) within one year of the date those electronic Registry Instruments and other electronic Documents are capable of Lodgment in the Jurisdiction, or such longer period as allowed by the Registrar; and

(d) any additional functionality required by the Registrar is implemented in the ELN within one year of the date that functionality is available in the Jurisdiction, or such longer period as allowed by the Registrar.

5.3 General obligations

The ELNO must:

(a) have adequate arrangements for operating the ELN in a proper, competent, sustainable and efficient manner and maintain primary responsibility for the provision and operation of the ELN; and

(b) exercise due skill, care and diligence in operating the ELN and in meeting its obligations under these Operating Requirements; and
(c) minimise any disruption of or interference to any systems connected to the ELN for the purpose of conducting Conveyancing Transactions; and

(d) obtain and maintain all necessary licences and regulatory approvals required by any appropriate authority to provide and operate the ELNO System; and

(e) determine any ELNO Service Fees, according to a publicly available, equitable and transparent pricing policy and publish a Pricing Table in accordance with Operating Requirement 5.4; and

(f) ensure that all of the ELNO’s officers, principals, employees, agents and contractors are:

(i) adequately trained to operate or access the ELN to the extent relevant in the manner authorised; and

(ii) aware of the ELNO’s obligations under these Operating Requirements to the extent relevant; and

(g) comply with all:

(i) applicable laws (including any applicable Privacy Laws and laws relating to Document and information collection, storage and retention); and

(ii) government policies as notified to the ELNO in writing; and

(h) maintain confidentiality of all information provided to the ELNO in which the provider of the information would reasonably expect confidentiality to be maintained; and

(i) comply with any reasonable direction given by the Registrar for the purpose of these Operating Requirements; and

(j) Promptly notify the Registrar of all events relating to the ELNO or the ELN which have the potential to:

(i) affect the integrity of the Titles Register; or

(ii) pose a reputational risk to the ELN, the Titles Register or the Registrar; and

(k) give such assistance to the Registrar, or a Person authorised by the Registrar, as the Registrar or the authorised Person reasonably requests in relation to the performance of the Registrar’s functions and powers under the ECNL including, without limitation, reasonable access to the ELN and to the records of the ELNO; and

(l) establish, implement, review and keep current a Business Plan.
5.4 ELNO Service Fees

5.4.1 The ELNO may charge ELNO Service Fees in accordance with its pricing policy.

5.4.2 If the ELNO charges ELNO Service Fees, the ELNO must:

(a) for each Financial Year, prepare and publish on its website its Pricing Table; and
(b) not charge a fee greater than the amount specified in the published Pricing Table.

5.4.3 From 1 July 2019 to 30 June 2022, the ELNO may increase the ELNO Service Fees as listed in its Pricing Table, once every Financial Year on 1 July, provided that the percentage increase in the revised ELNO Service Fees does not exceed the percentage increase in the CPI for the immediately preceding March quarter when compared with the CPI for the March quarter of the previous year.

5.4.4 Notwithstanding Operating Requirement 5.4.3, the ELNO may, at any time, request the Registrar’s approval, which may not be unreasonably withheld, for proposed changes to its Pricing Table, including, but not limited to, in the event:

(a) of any change to the amount of any insurance premium payable by the ELNO in respect of any insurance policy the ELNO is required to hold under Operating Requirement 4.7.2; or
(b) that a change in any law gives rise to a change in the ELNO’s operating Costs; or
(c) that additional fees, charges or Costs are imposed on the ELNO by the Registrar, Land Registry or any other government agency.

5.4.5 If the ELNO Service Fees include Information Fees, following a change in Information Fees, the ELNO may re-calculate the ELNO Service Fees and change the Pricing Table to reflect the re-calculated ELNO Service Fees.

5.4.6 The Pricing Table for any Financial Year, and any changes to it, must be published at least 20 Business Days, or as soon as reasonably practicable, before the Pricing Table, or the changes to it, take effect.

5.5 Integration

5.5.1 If the ELNO offers or intends to offer Integration, the ELNO must:

(a) prepare, implement, monitor, review and keep current:

(i) a set of Integration terms and conditions which set out the requirements for a Person Wishing To Integrate; and/or
(ii) where it is not possible to develop a set of Integration terms and conditions for a particular type, level or class of Integration, a set of principles upon which the Integration terms and conditions will be negotiated; and
(b) publish on its website details of the process for a Person Wishing to Integrate to obtain a copy of the ELNO’s Integration terms and conditions and/or principles; and

(c) provide a copy of the ELNO’s Integration terms and conditions and/or principles to any bona fide Person Wishing to Integrate who requests a copy and complies with the process published under Operating Requirement 5.5.1(b); and

(d) maintain records of any requests made for a copy of the ELNO’s Integration terms and conditions and/or principles, including whether each request was approved or refused and the basis for refusal, where applicable.

5.5.2 Any Integration terms and conditions prepared or negotiated, and/or any principles prepared by the ELNO under Operating Requirement 5.5.1(a) must not contain any express or implied terms that could qualify, derogate from or otherwise prejudicially affect compliance with any of the ELNO’s obligations under these Operating Requirements.

5.5.3 The ELNO must treat a Person Wishing To Integrate or a Person Who Has Integrated on an Equivalent Basis, subject only to differences which are attributable to the type, level or class of Integration with the ELN provided that each Person Wishing To Integrate or Person Who Has Integrated has an equivalent opportunity to choose between those options compared with each other Person Wishing to Integrate or Person Who Has Integrated.

5.6 Separation

5.6.1 If a Related Entity supplies or proposes to supply a Downstream or Upstream Service, the ELNO must not be involved in the supply or development of the Downstream or Upstream Service other than to the extent of providing access to, or use of, the ELN in accordance with Operating Requirement 5.5.

5.6.2 If the ELNO supplies or proposes to supply a Downstream or Upstream Service, the ELNO must establish a Related Entity or:

(a) establish an ELN business unit that is separate from a Downstream or Upstream Service business unit; and

(b) ensure the ELN business unit has control over and responsibility for:

(i) the provision and operation of the ELN; and

(ii) the performance of the functions and responsibilities of an ELNO under the ECNL and these Operating Requirements; and

(iii) the ELNO’s relationship with Subscribers and persons properly authorised by Subscribers to have access to, and use of, the ELN; and
(iv) the ELNO’s relationship with a Person Wishing To Integrate or a Person Who Has Integrated; and

(c) ensure the Downstream or Upstream Service business unit has control over and responsibility for:

(i) promoting and supplying a Downstream or Upstream Service; and

(ii) customer support for a Downstream or Upstream Service; and

(iii) the ELNO’s relationship with customers of a Downstream or Upstream Service; and

(d) ensure the Downstream or Upstream Service business unit does not perform any of the required functions of the ELN business unit or vice versa.

5.6.3 If either Operating Requirement 5.6.1 or 5.6.2 applies, the ELNO must:

(a) not give, or operate in a manner which gives, an unfair commercial advantage to the Related Downstream or Upstream Service Provider; and

(b) deal with the Related Downstream or Upstream Service Provider on an arm’s length basis; and

(c) prepare, publish, implement, review and keep current a Separation Plan which outlines how the ELNO will comply with this Operating Requirement, including how the ELNO will:

(i) manage the ELNO or ELN business unit independently from the Related Downstream or Upstream Service Provider; and

(ii) deal with confidential or commercially sensitive information of a Person Wishing To Integrate or a Person Who Has Integrated with the ELN to ensure that information is not available to, or able to be used by or for the benefit of, the Related Downstream or Upstream Service Provider; and

(iii) share personnel, systems and services, with the Related Downstream or Upstream Service Provider; and

(iv) implement suitable governance frameworks.

6 TESTING

6.1 Initial Testing

The ELNO must not commence operating the ELN without first undertaking testing of the ELN in accordance with the Test Plan and otherwise to the satisfaction of the Registrar.
6.2 Further Testing

The ELNO must not implement any new functionality which affects the Land Registry System, including implementing a new electronic Registry Instrument or other electronic Document, without first undertaking testing of the new functionality or new electronic Registry Instrument or other electronic Document in accordance with the Test Plan and otherwise to the satisfaction of the Registrar.

7 OBLIGATIONS REGARDING SYSTEM SECURITY AND INTEGRITY

7.1 Information Security Management System

The ELNO must:

(a) establish, implement, operate, monitor, review, maintain and keep current a documented Information Security Management System that is Fit for Purpose in relation to the ELNO’s operations to ensure the security of the ELN; and

(b) ensure that its Information Security Management System:

(i) takes into account the obligations of the ELNO in these Operating Requirements; including, where applicable and without limitation, the obligations in Operating Requirements, 7.11, 7.12, 19.1 and 19.2; and

(ii) includes a comprehensive Subscriber security policy with which Subscribers and Users must comply, the purpose of which is to assist Subscribers and Users to understand their obligations in relation to the security of the ELN and which addresses, without limitation,:

A. the technology required to enable Subscribers to access the ELN; and

B. the specification of virus protection software required to be installed on a Subscriber’s computers; and

C. protection of Security Items; and

D. training and monitoring of Users in relation to a Subscriber’s security obligations including, but not limited to, cyber security awareness training, covering as a minimum secure usage of the ELN and secure usage of email and other electronic communication; and

E. the process by which the ELNO will ensure Subscribers and Users understand the Subscriber security policy and their obligations in relation to the security of the ELN; and

(iii) includes a set of Incident Response Plans; and
(c) have its Information Security Management System regularly reviewed by an Independent Expert and implement, as a minimum, any Essential Recommendations of that Independent Expert; and

(d) before implementing any material change to its Information Security Management System, obtain an Independent Certification relating to the change that the Information Security Management System will, after the making of the change, continue to be suitable, adequate and effective and otherwise Fit for Purpose, and provide it to the Registrar.

7.2 Access to ELN

7.2.1 Subject to Operating Requirements 7.2.2 and 7.2.3, the ELNO must ensure that only Subscribers registered in accordance with these Operating Requirements and the Participation Rules or Persons properly authorised by Subscribers are able to access and use the ELN.

7.2.2 An ELNO will not breach Operating Requirement 7.2.1 if the ELNO permits a Subscriber to use application to application technology for accessing the ELN and data entry provided that the Subscriber does not use application to application technology for the function of Digital Signing or for Subscriber Administrator functions.

7.2.3 The ELNO must ensure that only Persons authorised by the ELNO have access to the ELN for administrative purposes.

7.2.4 The ELNO must provide access to the ELN on an Equivalent Basis to:

(a) Subscribers; and

(b) Users,

subject only to differences which are attributable to the type, level or class of Integration with the ELN, provided that each Subscriber or User has an equivalent opportunity to choose between those options compared with each other Subscriber or User.

7.3 Security of ELN

The ELNO must take reasonable steps to:

(a) ensure that data supplied to any system connected to the ELN is free from viruses, corruption and any other condition that may compromise any of those systems or any data stored by, or passing into or out of, the Land Registry System or any other systems connected to the ELN for the purposes of carrying out Conveyancing Transactions; and

(b) prevent, trap, detect and remove any viruses, corruption and any other condition from its systems and data that may damage the Land Registry System, damage any
systems connected to the ELN for the purposes of carrying out Conveyancing Transactions, or damage any data stored by the Land Registry; and

c) prevent unauthorised system use, intrusion and service denial and detect and remove unauthorised system additions or modifications, including by using Usage Anomaly Detection capability to detect and track unauthorised actions in the ELN; and

d) monitor, and take appropriate action after receiving security alerts from the Land Registry; and

e) do all things reasonably necessary to reduce systemic risk in the ELN and promote the overall stability of each system connected to the ELN for the purposes of carrying out Conveyancing Transactions; and

f) ensure that it does not do or omit to do anything that is likely to have an adverse effect on the operation, security, integrity or stability of the Land Registry System; and

g) ensure the ELNO has a legally binding agreement with any Supplier which includes the following provisions:

(i) an undertaking by the Supplier to Promptly notify the ELNO if the Supplier becomes aware of any Incident that affects or may affect the ELN; and

(ii) an undertaking by the Supplier to carry out a cyber security due diligence review at least once a year, and to Promptly rectify any identified weaknesses; and

(h) test any Incident Response Plans at least annually; and

(i) Promptly follow the defined steps set out in any applicable Incident Response Plan in the event of an Incident.

7.4 Data

The ELNO must ensure that the ELN:

(a) accurately presents and uses data received from a Land Registry or any other source; and

(b) does not change data received from a Land Registry other than in accordance with an approval granted under Operating Requirement 19.3(b); and

(c) where the ELN checks, collates or processes data from a Land Registry, accurately checks, collates or processes that data.
7.5 Protection of Land Information

The ELNO must ensure that any computer infrastructure forming part of the ELNO System and in which Land Information is entered, stored or processed is located within the Commonwealth of Australia.

7.6 Digital Certificate regime

7.6.1 The ELNO must ensure that, where a Digital Certificate is used to Digitally Sign an electronic Registry Instrument or other electronic Document, the Certification Authority is independent.

7.6.2 Without limiting Operating Requirement 7.6.1, the ELNO must:

(a) ensure that Digital Certificates used in the ELN:
   (i) accord with the Gatekeeper PKI framework; and
   (ii) are supplied by a Gatekeeper Accredited Service Provider; and
   (iii) are issued under a Certificate Policy which:
         A. identifies the Subscriber and its ABN; and
         B. binds the Subscriber’s Signer as Key Holder to the Subscriber including, without limitation, by naming the Subscriber’s Signer in the Certificate Profile; and

(b) take all reasonable steps to ensure that the ELNO System does not include any functionality which enables Subscribers to breach Participation Rule 7.5.5.

7.6.3 Without limiting Operating Requirements 7.6.1 and 7.6.2, the ELNO must ensure that Subscribers can use Digital Certificates that are not restricted to closed environments or communities of interest to Digitally Sign electronic Registry Instruments or other electronic Documents.

7.7 Verifying Digital Signing

The ELNO must ensure that the ELN has an effective means of:

(a) verifying that any electronic Registry Instruments or other electronic Document required to be Digitally Signed has been executed using a Valid Digital Certificate of the Subscriber authorised to execute the electronic Registry Instruments or other electronic Document; and

(b) verifying that at the time of Digitally Signing the Subscriber’s registration as a Subscriber has not expired or been restricted, suspended or terminated; and
(c) verifying that when an electronic Registry Instrument or other electronic Document is Digitally Signed, the Signer:

(i) has the signing rights being exercised; and

(ii) has not had their use of the ELN suspended or terminated or their signing rights suspended or terminated; and

(d) providing the Registrar with data to verify the matters in Operating Requirements 7.7(a), (b) and (c) and the identity of the Signer.

7.8 Verifying no alteration

The ELNO must ensure that the ELN has an effective means of enabling the Registrar to verify that each Digitally Signed electronic Registry Instrument or other electronic Document presented to the Registrar has not been altered in any way since it was executed.

7.9 Notification of Jeopardised Conveyancing Transactions

The ELNO must immediately notify the Registrar and those of its Subscribers involved in any Conveyancing Transaction which it has reason to believe has been Jeopardised.

7.10 Obligations in relation to Notification of Compromised Security Items

Where a Subscriber notifies the ELNO that:

(a) any of the Security Items of its Users have been or are likely to have been Compromised; or

(b) the Subscriber is aware or suspects that any of its Private Keys have been used to Digitally Sign any electronic Registry Instruments or other electronic Documents without its authorisation or the authorisation of any Client on whose behalf the electronic Registry Instruments or other electronic Documents are purported to be Digitally Signed,

the ELNO must:

(c) prevent the presentation for Lodgment with the Registrar or Land Registry of those electronic Registry Instruments or other electronic Documents which the Subscriber advises the ELNO may be affected by the Compromise of the Security Items or Digitally Signed without the authority referred to in Operating Requirement 7.10(b); or

(d) if it is not possible to prevent the presentation for Lodgment, immediately notify the Registrar.
7.11 Data Breach Notification

7.11.1 The ELNO must implement appropriate procedures and controls (including training) to detect Data Breaches and possible Data Breaches.

7.11.2 If the ELNO becomes aware of a Data Breach, or reasonably suspects that a Data Breach has occurred, the ELNO must:

(a) Promptly provide the Registrar and any affected Subscriber all details in respect of that event; and

(b) take all reasonable steps to investigate the event, contain the breach (if the event is a Data Breach) and mitigate against the adverse effect and harm arising from the event; and

(c) allow the Registrar to participate in any investigation and mitigation steps under Operating Requirement 7.11.2(b); and

(d) provide all assistance and support required by the Registrar to assess the risk of harm arising from the event, and to recover from the event; and

(e) implement such additional measures as are required to protect against a similar Data Breach in the future; and

(f) Promptly follow the defined steps set out in any applicable Incident Response Plan.

7.12 Cloud Service

7.12.1 The ELNO may use a Cloud Service for its ELN or to provision its ELN if all of the following are satisfied:

(a) the ELNO uses its reasonable endeavours to continuously mitigate any risks associated with using a Cloud Service as they are identified; and

(b) the Cloud Service only stores and processes Land Information in a secure computer infrastructure located within the Commonwealth of Australia; and

(c) the premises and systems used in connection with the provision and use of the Cloud Service are secure, having regard to the sensitive nature of the ELN and Land Information; and

(d) the ELNO implements and uses security and encryption features and any complementary user entity controls that are appropriate to protect Land Information (including access control, encryption in transit and encryption at rest); and

(e) the ELNO has a legally binding agreement with the Cloud Service Provider which includes an undertaking by the Cloud Service Provider to:
(i) maintain an information security program that complies with the ISO 27001 Standard (or such successor Standards) or such other alternative Standards as are substantially equivalent to ISO 27001; and

(ii) carry out an independent audit assessment of its controls and processes and their effectiveness at least once a year; and

(iii) provide a SOC2 Type 2 Report to the ELNO; and

(iv) carry out a vulnerability assessment and penetration testing of its systems and online services at least once a year; and

(v) Promptly take any action required to ensure the Cloud Service Provider’s controls and processes are effective and rectify any identified weaknesses; and

(f) the ELNO receives the SOC 2 Type 2 Report referred to in Operating Requirement 7.12.1(e)(iii).

7.12.2 The ELNO must notify the Registrar if the ELNO is using, intends to use, commences to use a Cloud Service, changes Cloud Service Provider or ceases to use a Cloud Service.

7.13 **Vulnerability assessment and penetration testing**

The ELNO must ensure that:

(a) at least once a year, an appropriately qualified independent security professional undertakes a vulnerability assessment and penetration testing of its systems and networks that store or process Land Information; and

(b) where the independent security professional makes recommendations, those recommendations are expressed in writing as either Essential Recommendations or Desirable Recommendations; and

(c) any Essential Recommendations are implemented Promptly.

8 **SECURITY AND INTEGRITY OF TITLES REGISTER**

The ELNO must ensure that it does not do anything that is likely to diminish the overall security and integrity of the Titles Register or public confidence in the Titles Register.

9 **RISK MANAGEMENT**

9.1 **Mitigate risk**

The ELNO must:
(a) establish, implement, operate, monitor, review, maintain and keep current a documented Risk Management Framework that is Fit for Purpose to enable the identification, mitigation and management of risks in its operation of the ELN; and

(b) have its Risk Management Framework regularly reviewed by an Independent Expert and implement, as a minimum, any Essential Recommendations of that Independent Expert.

9.2 **No increased risk of fraud or error**

Without limiting any other obligation under these Operating Requirements, the ELNO must use reasonable endeavours to ensure that the use of the ELN for the presentation for Lodgment of Conveyancing Transactions with the Registrar does not result in a greater risk of fraud or error in those Conveyancing Transactions compared to the risk of fraud or error for comparable Conveyancing Transactions Lodged in a paper medium.

10 **MINIMUM SYSTEM REQUIREMENTS**

The ELNO must ensure that the ELN meets the minimum requirements determined by the Registrar, which must include as a minimum the requirements set out in this Operating Requirement.

10.1 **Functionality**

The ELNO must ensure that the ELN:

(a) provides sufficient functionality to enable:

   (i) Subscribers to comply with the ECNL, Land Titles Legislation and the Participation Rules; and

   (ii) the Registrar to comply with legislative obligations relevant to the service provided by the ELNO and policy requirements notified to the ELNO relevant to the service provided by the ELNO; and

   (iii) the ELNO to comply with the ECNL, Land Titles Legislation and these Operating Requirements; and

(b) is designed and provisioned:

   (i) to be reliable, scalable and flexible; and

   (ii) to use software that is fully supported by the provider of that software; and

   (iii) so that it is architecturally sound with code design compliant with relevant industry standards; and
(iv) so that it is compliant with any relevant industry standards relating to usability and accessibility.

10.2 (Deleted)

10.3 Data Standard

The ELN must use the Data Standard to present:

(a) electronic Registry Instruments or other electronic Documents, including all component data items, for Lodgment; and

(b) all system messages exchanged with a Land Registry.

10.4 Apply Registrar’s Business Rules

The ELN must apply the Business Rules and must have an orderly means of implementing and testing the Business Rules.

10.5 Services to enable assessment of integrity

The ELNO must make available to its Subscribers services which assist Subscribers to assess each Conveyancing Transaction’s integrity including, but not limited to, Land Title Reference Verification, Registry Information Supply, Lodgment Verification, Title Activity Check and a facility to enable the determination of the applicable Lodgment Fees for each electronic Registry Instrument or other electronic Document in a Conveyancing Transaction.

10.6 Ability to unsign Digitally Signed Documents

The ELNO must ensure that the ELN provides the functionality for an electronic Registry Instrument or other electronic Document Digitally Signed by a Subscriber to be unsigned by the Subscriber or its Signer up until the time the Electronic Workspace for the Conveyancing Transaction is locked in the ELN.

10.7 Registry Instrument or other Document templates

The ELNO must ensure that the correct Registry Instrument or other Document template supplied and determined by the Registrar is used by Subscribers.

10.8 Presentation following completion of financial settlement

The ELNO must ensure that no electronic Registry Instrument or other electronic Document forming part of a Settlement Transaction is presented to the Registrar for Lodgment unless the financial settlement is irrevocable.

10.9 Presentation following Duty payment or commitment

The ELNO must ensure that no electronic Registry Instrument or other electronic Document is presented to the Registrar for Lodgment unless the electronic Registry Instrument or other
Electronic Document has been assessed for Duty and the Duty Authority is satisfied that, where applicable, the Duty has been paid or an irrevocable commitment to pay has been made to the Duty Authority.

10.10 Land Registry Fees

The ELNO must:

(a) ensure that no electronic Registry Instrument or other electronic Document is presented to the Registrar for Lodgment unless the Lodgment Fees have been collected by the ELNO or an irrevocable commitment to pay has been made to the ELNO; and

(b) in the manner agreed with the Registrar, pay to the Registrar all Information Fees and remit to the Registrar all Lodgment Fees collected; and

(c) provide all information required by the Registrar for the identification and reconciliation of all Land Registry Fees.

11 MINIMUM PERFORMANCE LEVELS

11.1 Performance Levels

The ELNO must:

(a) ensure that the ELNO System meets, as a minimum, the Performance Levels; and

(b) monitor its performance against the Performance Levels and maintain records of that monitoring.

12 BUSINESS CONTINUITY AND DISASTER RECOVERY MANAGEMENT

12.1 Business Continuity and Disaster Recovery Management Program

The ELNO must establish, implement, operate, monitor, review, maintain, test and keep current a documented, detailed and comprehensive Business Continuity and Disaster Recovery Management Program that is Fit for Purpose to ensure that in the event of an Incident the ELNO can continue to provide and operate the ELN, or so that disruption to the provision of or operation of the ELN will be minimised.
12.2 Review

The ELNO must have its Business Continuity and Disaster Recovery Management Program regularly reviewed by an Independent Expert and implement, as a minimum, any Essential Recommendations of that Independent Expert.

13 CHANGE MANAGEMENT

13.1 Change Management Framework

The ELNO must establish, implement, use, monitor, review, maintain and keep current a documented, detailed and comprehensive Change Management Framework to manage the making of any changes:

(a) relevant to the ELNO’s obligations under these Operating Requirements or a Subscriber’s obligations under the Participation Rules in relation to the Subscriber’s use of the ELN; or

(b) to the operation of the ELNO System,

in a planned and managed or systematic fashion.

13.2 No changes other than in accordance with Change Management Framework

The ELNO must not make any changes other than in accordance with the Change Management Framework.

14 SUBSCRIBERS

14.1 Subscriber registration

14.1.1 The ELNO must establish, implement, review and keep current a Subscriber Registration Process.

14.1.2 The ELNO must only register a Subscriber:

(a) if the Potential Subscriber meets the Eligibility Criteria except where the Registrar has waived compliance with any Eligibility Criteria in accordance with section 27 of the ECNL; and

(b) if the ELNO has verified:

(i) the identity of the Potential Subscriber, and any Person(s) representing the Potential Subscriber in accordance with the Subscriber Identity Verification Standard; and
(ii) the authority of the Potential Subscriber, and any Person(s) representing the Potential Subscriber, to sign the Participation Agreement; and

(c) if the Potential Subscriber has entered into a Participation Agreement with the ELNO which includes an obligation on the Subscriber to comply with the Participation Rules; and

(d) if the ELNO has established that the Person(s) signing the Participation Agreement are one and the same as the Person(s) who have had their identity, and authority to act, verified; and

(e) who complies with the laws of the Jurisdiction in which the Subscriber intends to conduct Conveyancing Transactions.

14.1.3 The ELNO need not verify the identity of the Potential Subscriber, or any Person(s) representing the Potential Subscriber, in accordance with the Subscriber Identity Verification Standard if the ELNO:

(a) has complied with Operating Requirement 14.1.2(b)(i) within the previous two years; and

(b) takes reasonable steps to ensure it is dealing with the Potential Subscriber, or the Person(s) representing the Potential Subscriber.

14.2 **Unreasonable barriers or refusal to accept Subscriber**

The ELNO must not:

(a) impose any unreasonable barriers to applying to become a Subscriber or to making use of the ELN; or

(b) unreasonably refuse to accept any applicant who is capable of meeting the Registrar’s eligibility criteria for Subscribers set out in the Participation Rules.

14.3 **Maintain Subscriber and User register**

The ELNO must retain a register of all Persons registered as Subscribers (including a copy of each Participation Agreement) and Users. The register must include Subscribers whose registration has expired or been restricted, suspended or terminated (and details of when their registration expired or was restricted, suspended or terminated).

14.4 **Evidence of Subscriber insurance and verification of identify**

The ELNO must obtain and retain:

(a) evidence to confirm that each Subscriber meets the Insurance Rules except where the Registrar has waived compliance with any Insurance Rule in accordance with section 27 of the ECNL; and
(b) any material supporting verification of the:

(i) identity of the Subscriber or the Person(s) representing the Subscriber who signs the Participation Agreement; and

(ii) authority of the Person(s) representing the Subscriber to sign the Participation Agreement for the Subscriber.

14.5 Participation Agreement and Participation Rules

The ELNO must ensure that its Participation Agreement with each Subscriber does not contain any express or implied term that could qualify, derogate from or otherwise prejudicially affect any Subscriber obligation set out in the Participation Rules.

14.6 Training

The ELNO must make adequate training resources and information available to Subscribers and Users in relation to their use of the ELN with the intention that Subscribers and Users may:

(a) readily learn and understand how to use the ELN; and

(b) understand their security obligations including, but not limited to, cyber security awareness training covering as a minimum secure usage of the ELN and secure usage of email and other electronic communication.

14.7 Review of Subscribers and suspension or termination

The ELNO must:

(a) establish, implement, review and keep current a Subscriber Review Process; and

(b) if a review indicates a breach of the Participation Rules, actively assess and consider whether a Subscriber should be restricted, suspended or terminated or if a Subscriber’s User’s access to or use of the ELN should be restricted, suspended or terminated in light of the then current circumstances; and

(c) take appropriate action in relation to the breach of the Participation Rules by a Subscriber including, where a Suspension Event or Termination Event occurs, the restriction, suspension or termination of the Subscriber’s ability to act as a Subscriber in the Jurisdiction or a Subscriber’s User’s access to or use of the ELN; and

(d) immediately notify the Registrar in writing if the ELNO knows or has reasonable grounds to suspect that a Subscriber has committed, is committing or is about to commit a Suspension Event or Termination Event or a breach of any of the
obligations imposed on the Subscriber in respect of the ELN. The notification must include:

(i) the name of the Subscriber; and

(ii) the details of the material breach or impending material breach; and

(iii) the ELNO’s reason for that belief; and

(iv) the nature of any action the ELNO has taken or intends to take; and

(e) where it restricts, suspends, terminates (including when a Subscriber resigns) or reinstates a Subscriber’s ability to act as a Subscriber in the Jurisdiction or a Subscriber’s User’s access to or use of the ELN, Promptly notify the Registrar of that restriction, suspension, termination or reinstatement.

14.8 ELNO must restrict, suspend or terminate Subscriber if directed by Registrar

The ELNO must immediately restrict, suspend or terminate (as the case may be) the right of a Subscriber to participate as a Subscriber in a Jurisdiction if the ELNO receives a direction from the Registrar to do so.

14.9 Consequences of restriction, suspension or termination

If a Subscriber’s registration or access to, or use of, the ELN (or that of its User) expires or is restricted, suspended or terminated by the ELNO, the ELNO:

(a) must ensure that the Subscriber (including any of its Users), from the time of the expiration, restriction, suspension or termination, cannot:

(i) in the case of restriction, access the ELN other than in accordance with the restriction; and

(ii) in the case of expiration, suspension or termination, access the ELN; and

(b) may, if the ELNO is satisfied that no Party would be disadvantaged and that the Conveyancing Transaction should proceed, allow electronic presentation of any Electronic Workspace Documents that were Digitally Signed by the Subscriber before the expiration, restriction, suspension or termination (assuming that the Subscriber does not need to do anything more in order for electronic presentation to occur); and

(c) may allow another Subscriber authorised by the relevant Party to take over the role of the Subscriber whose registration or access to, or use of, the ELN has expired or been restricted, suspended or terminated in any Conveyancing Transaction in which the Subscriber is a Participating Subscriber.
14.10 ELNO must not be a Subscriber

14.10.1 The ELNO must not be a Subscriber to the ELNO’s ELN except for the purposes of testing the functionality of the ELN.

14.10.2 If a Related Entity of the ELNO intends to become a Subscriber or is a Subscriber to the ELNO’s ELN, the ELNO must use an Independent Expert to:

(a) assess the Related Entity’s application to become a Subscriber; and

(b) undertake the Subscriber Review Process of the Related Entity.

15 COMPLIANCE MONITORING AND REPORTING

15.1 Monitor compliance

The ELNO must continually monitor its compliance with these Operating Requirements.

15.2 Demonstrate compliance

Without limiting Operating Requirement 15.5, the ELNO or Potential ELNO must demonstrate to the Registrar its compliance with an Operating Requirement by:

(a) producing to the Registrar a Specified Document; or

(b) providing to the Registrar a Self-Certification; or

(c) obtaining and providing to the Registrar an Independent Certification; or

(d) providing to the Registrar a No Change Certification; or

(e) publishing a Monthly Report,

as specified for an Operating Requirement in Schedule 3.

15.3 Inability to give a No Change Certification

If an ELNO or Potential ELNO is unable to give a No Change Certification to demonstrate to the Registrar its compliance with an Operating Requirement due to a change, occurrence or anything that would render a Specified Document, Self-Certification or Independent Certification incorrect, incomplete, false or misleading, the ELNO or Potential ELNO must instead:

(a) produce to the Registrar the Specified Document; or

(b) provide to the Registrar the Self-Certification; or

(c) obtain and provide to the Registrar the Independent Certification,

that would otherwise have been required to demonstrate compliance with the Operating Requirement under the relevant preceding category in Schedule 3.
15.4 When to demonstrate compliance

Without limiting Operating Requirement 15.5, the ELNO or Potential ELNO must demonstrate to the Registrar its compliance with the Operating Requirements set out in:

(a) Category One in Schedule 3, at the time the Potential ELNO applies for Approval or the ELNO applies for renewal of Approval; and

(b) Category Two in Schedule 3:

(i) at least six months prior to the date notified by the ELNO or Potential ELNO to the Registrar as the date on which the ELNO or Potential ELNO intends commencing operation of the ELN but not more than one year after the date that the Registrar notifies the ELNO or Potential ELNO that the ELNO or Potential ELNO has satisfactorily demonstrated compliance with the Operating Requirements set out in Category One in Schedule 3; and

(ii) at the time the ELNO applies for renewal of Approval except for compliance demonstrated under Operating Requirement 15.4(a); and

(c) Category Three in Schedule 3:

(i) annually as part of the ELNO’s Annual Report; and

(ii) at the time the ELNO applies for renewal of Approval except for compliance demonstrated under Operating Requirements 15.4(a) and 15.4(b)(ii); and

(d) Category Four in Schedule 3, monthly in a Monthly Report.

15.5 Demonstrate compliance at any time

At any time on the written request of the Registrar, the ELNO must produce to the Registrar within 10 Business Days of that request, documented substantiation of its compliance with these Operating Requirements to the satisfaction of the Registrar.

15.6 Provision of further information

The ELNO or Potential ELNO must, at any time on the written request of the Registrar where the Registrar considers that the information contained in a Specified Document, a Self-Certification, an Independent Certification, a No Change Certification, a Monthly Report or an Annual Report warrants further investigation:

(a) give to the Registrar further information; or

(b) submit a further certification addressing the matter raised by the Registrar (the further certification being either a Self-Certification, No Change Certification or Independent Certification),

to the satisfaction of the Registrar by a reasonable date and time specified by the Registrar.
15.7 Notice of non-compliance and remedy

The ELNO must:

(a) give written notice to the Registrar, as soon as practicable, if it becomes aware that it has breached or may in the future be no longer able to comply with these Operating Requirements; and

(b) remedy any non-compliance with these Operating Requirements within 10 Business Days (or such other longer time determined in the absolute discretion of the Registrar having regard to the nature of the breach) from when it becomes aware that it has breached these Operating Requirements; and

(c) take such action as is necessary in order to avoid a breach in circumstances where the ELNO becomes aware that it may in the future be no longer able to comply with these Operating Requirements.

15.8 Remediation of non-compliance

Subject to Operating Requirement 15.9, if the ELNO fails to demonstrate compliance with matters dealt with in Operating Requirement 15.4(d) on two consecutive occasions, the ELNO must prepare and provide to the Registrar a remediation action plan and implement the action plan forthwith.

15.9 Remediation of serious non-compliance

Where the Registrar gives written notice to the ELNO that the Registrar considers that non-compliance by the ELNO with any requirement under these Operating Requirements is of a serious nature, the ELNO must prepare and provide to the Registrar, within the time specified in the notice, a remediation action plan and implement that action plan.

15.10 ELNO may provide certified copies of original documents

Where an ELNO is required to provide a Document to the Registrar to evidence compliance with an Operating Requirement and is unable to provide the original of the Document, the ELNO may provide a copy of the original Document certified as a true copy by a principal, director or officer of the ELNO.

16 INDEPENDENT CERTIFICATION

16.1 Approval of Independent Expert

The ELNO or Potential ELNO must ensure that:
(a) before an Independent Certification is given by an Independent Expert, the ELNO or Potential ELNO obtains the written approval of the Registrar to the proposed Independent Expert; and

(b) sufficient information regarding the qualifications and competence and insurance coverage of the proposed Independent Expert is provided by the ELNO or Potential ELNO to the Registrar at least three months prior to the time at which the Independent Certification must be given to enable the Registrar to determine the Independent Expert’s suitability or otherwise to provide the Independent Certification.

16.2 Assistance

The ELNO or Potential ELNO must give all reasonable assistance required by the Independent Expert referred to in Operating Requirement 16.1 to prepare the certification and must at the request of the Independent Expert direct third parties to make available all information the Independent Expert requires in order to prepare the certification.

16.3 Essential and Desirable Recommendations

The ELNO must ensure that where it is required under these Operating Requirements to have something regularly reviewed by an Independent Expert:

(a) the Independent Expert makes recommendations which are expressed in writing as either Essential Recommendations or Desirable Recommendations; and

(b) any Essential Recommendations are implemented.

16.4 Inclusion of Essential Recommendations in Independent Expert’s Certification

The ELNO must ensure that where it is required to obtain and provide an Independent Certification to demonstrate compliance with an Operating Requirement any Essential Recommendations are disclosed in the relevant Independent Expert’s Certification.

17 COMPLIANCE EXAMINATION

The ELNO must, where the Registrar conducts under the ECNL a Compliance Examination in relation to the ELNO, comply with section 33 of the ECNL and the Compliance Examination Procedure.
18 REPORTS

18.1 Monthly Report

The ELNO must:

(a) within 10 Business Days of the expiration of each month in which the ELNO operates the ELN, publish on its website and provide to the Registrar a Monthly Report relating to the ELNO’s compliance with the Operating Requirements set out in Category Four in Schedule 3; and

(b) ensure that the ELNO’s Monthly Reports remain on the ELNO’s website for a period of at least one year.

18.2 Annual Report

18.2.1 Subject to Operating Requirement 18.2.2, an ELNO must, within three months after the end of the Financial Year, give the Registrar an Annual Report for that Financial Year on the extent to which the ELNO complied with its obligations as an ELNO under these Operating Requirements.

18.2.2 Where an ELNO commences operation of the ELN on or within three months before the end of a Financial Year, an ELNO must, within three months after the end of the next Financial Year, give the Registrar an Annual Report for that Financial Year on the extent to which the ELNO complied with its obligations as an ELNO under these Operating Requirements.

18.2.3 The ELNO must ensure that the Annual Report includes:

(a) where Operating Requirement 18.2.1 applies, a description of the activities that ELNO has undertaken in the Financial Year; and

(b) where Operating Requirement 18.2.2 applies, a description of the activities that ELNO has undertaken in the Financial Year and the period from which the ELNO commenced operation of the ELN; and

(c) the Specified Documents, Self-Certifications, No Change Certifications and Independent Certifications required to demonstrate the ELNO’s compliance with the Operating Requirements set out in Category Three in Schedule 3; and

(d) a description of what action the ELNO has taken or intends to take and the timeframe within which the action is intended to be taken to implement the Essential Recommendations of the Independent Expert; and

(e) an analysis of the extent to which the ELNO considers its activities have not resulted in full compliance with all its obligations under these Operating Requirements.
19 DATA AND INFORMATION OBLIGATIONS

19.1 Retention

The ELNO must indefinitely retain and retrieve and provide to the Registrar within 10 Business Days of the Registrar’s request to provide:

(a) all Workspace Data; and

(b) all Electronic Workspace Documents, whether:

(i) Digitally Signed or not; or

(ii) Lodged or not with the Registrar or the Land Registry; and

(c) all Notifications; and

(d) for each Subscriber, each Document and Record received or created by the ELNO in connection with the Subscriber’s or User’s registration in the ELN.

19.2 Generation and retention of Transaction Audit Records

The ELNO must generate and indefinitely retain Transaction Audit Records and retrieve and provide Transaction Audit Records or any part of Transaction Audit Records to the Registrar within 10 Business Days of the Registrar’s request to provide Transaction Audit Records.

19.3 Use

The ELNO must not, without the prior approval of the Registrar, which may not be unreasonably withheld:

(a) store any Land Information (or any part of any Land Information) on the ELN or on any other database, except for the purpose of facilitating the presentation for Lodgment of an electronic Registry Instrument or other electronic Document with the Land Registry or complying with Operating Requirement 19.1 and 19.2; or

(b) modify or alter any Land Information for a Conveyancing Transaction; or

(c) do anything that allows or causes another Person to modify or alter any part of Land Information provided by the Land Registry; or

(d) use, reproduce or disclose (or do anything that allows or causes another Person to do any of these things) any Land Information for a Conveyancing Transaction, other than that required or requested by Subscribers to the Electronic Workspace in which the Land Information appears; or

(e) create data or other products which are the same as or substantially similar to the Land Information or include the Land Information, or reverse assemble, reverse compile, reverse engineer or recreate or rework the Land Information in any way or
otherwise re-use the Land Information for the benefit of the ELNO, Subscribers or third parties.

19.4 Provide information to Subscribers

The ELNO must provide to Subscribers the following alerts and notices issued by a Land Registry or Registrar to the ELNO:

(a) those relating to an amendment of the ECNL, Participation Rules or these Operating Requirements; and

(b) those given in response to an emergency situation as referred to in the ECNL or relating to the security, integrity or stability of the Titles Register; and

(c) notice of any direction given by the Registrar to the ELNO relating to a Subscriber or Subscribers; and

(d) those relating to the provision and operation of the ELN by the ELNO where the alerts or notices are marked by the Land Registry or the Registrar as “For Communication to Subscribers”; and

(e) other alerts and notices as reasonably required by the Registrar and where the alerts or notices are marked by the Land Registry or the Registrar as “For Communication to Subscribers”.

19.5 Intellectual Property Rights

The ELNO:

(a) acknowledges that Intellectual Property Rights in all data and information contained in the Titles Register or supplied by the Registrar is owned either by the Registrar, Land Registry or the State or Territory; and

(b) acknowledges that nothing in these Operating Requirements creates in or transfers to an ELNO any Intellectual Property Rights in the Land Information; and

(c) must not do or omit to do anything which might invalidate or be inconsistent with the Intellectual Property Rights of the Registrar, Land Registry or the State or Territory; and

(d) must, to the extent permitted by law, Promptly notify the Registrar if the ELNO knows or has reasonable grounds to suspect that there has been an infringement of the Intellectual Property Rights of the Registrar, Land Registry or the State or Territory and, where possible, take any action in relation to the ELN to prevent the infringement from reoccurring; and
(e) must, at the expense of the Registrar, take all steps the Registrar reasonably requires to assist the Registrar in maintaining the validity and enforceability of the Intellectual Property Rights of the Registrar, Land Registry or the State or Territory.

20 REGISTRAR’S POWERS

20.1 Suspension or revocation of ELNO’s Approval

The Registrar may

(a) suspend (for a period determined by the Registrar) or revoke an ELNO’s Approval:

(i) if the ELNO is in material breach of these Operating Requirements; or

(ii) if any representation or warranty made by the ELNO relating to the operation of the ELN, compliance with these Operating Requirements or otherwise made to the Registrar is proved to be false, misleading, deceptive, incomplete or inaccurate in any material respect; or

(iii) if an Insolvency Event occurs in respect of the ELNO; or

(iv) if any director, secretary or officer of the ELNO involved in the operation of the ELN is convicted of a criminal offence or is disqualified under the Corporations Act from managing a corporation and the ELNO fails to remove that Person from his or her office immediately after the conviction is made, delivered or recorded; or

(v) if the Registrar considers that there is an ongoing threat to the integrity of the Titles Register that requires the suspension or revocation of the ELNO’s Approval; or

(vi) if the ELNO ceases or threatens to cease operating the ELN or a substantial part of the ELN; or

(vii) if an ELNO fails, without reasonable excuse, to comply with a notice served under the Compliance Examination Procedure; or

(viii) if an ELNO fails, without reasonable excuse, to enable the electronic Registry Instruments and other electronic Documents set out in Operating Requirement 5.2(b) in all States and Territories capable of receiving those electronic Registry Instruments and other electronic Documents within five years of the date the ELNO commences operation of the ELN; and

(b) revoke an ELNO’s Approval:

(i) if the ELN is not operating, without reasonable excuse, within two years of the grant of the ELNO’s Approval; or
(ii) if the ELNO’s Approval is not reinstated within a reasonable time following a suspension of the Approval.

21 BUSINESS AND SERVICES TRANSITION

21.1 Transition Plan

The ELNO must establish, operate, monitor, review, maintain and keep current a documented, detailed and comprehensive Transition Plan relating to the ELNO’s cessation of the providing of and operation of the ELN in place at all times to ensure that the ELN can continue to operate at all times with minimal disruption to the Registrar or the Land Registry or Subscribers in the circumstances where the Transition Plan is implemented.

21.2 Minimum requirements of a Transition Plan

The ELNO must ensure that its Transition Plan provides, as a minimum, for:

(a) notice to the Registrar and all Subscribers of the timing and reason for disengagement; and

(b) the orderly winding down of the ELNO System, facilities and services; and

(c) the manner of finalising any incomplete Conveyancing Transactions; and

(d) the transfer of all retained Records to the Registrar or at the direction of the Registrar; and

(e) the transfer of all licences and Intellectual Property Rights to the Registrar or at the direction of the Registrar.

21.3 (Deleted)

21.4 Implementation of Transition Plan

The ELNO must implement the Transition Plan:

(a) 12 months prior to cessation, if the ELNO intends to cease or ceases to operate:

(i) the ELN for any reason; or

(ii) any service or services provided by the ELNO which is, in the Registrar’s opinion, material to the operation of the ELN; or

(b) immediately, if the ELNO’s Approval is revoked by the Registrar; or

(c) from the date the Registrar gives written notice to the ELNO that the Registrar does not intend renewing the ELNO’s Approval, if the Approval is not renewed by the Registrar.
22 **AMENDMENT OF OPERATING REQUIREMENTS**

The ELNO must comply with any amendment made to these Operating Requirements by the Registrar pursuant to the Amendment to Operating Requirements Procedure.

23 **ADDITIONAL OPERATING REQUIREMENTS**

The ELNO must comply with the Additional Operating Requirements, if any.

SCHEDULE 4 – ADDITIONAL OPERATING REQUIREMENTS

None.
SCHEDULE 5 – COMPLIANCE EXAMINATION PROCEDURE

1 Power to request information and Documents

1.1 The Registrar or the Registrar’s delegate must provide notice to the ELNO.

1.2 The notice must state:

   (a) the time within which the information must be furnished and/or the Document must be produced (which must not be less than 10 Business Days after the giving of the notice); and

   (b) how information is to be furnished and/or the Document is to be produced.

1.3 A notice under paragraph 1.2 may be given in writing or by any electronic means that the Registrar or the Registrar’s delegate considers appropriate.

1.4 An ELNO to whom a notice is given under paragraph 1.2 must comply with the requirements set out in the notice within the period specified in the notice.

1.5 (Deleted)

2 Inspection and retention of Documents

2.1 If an original Document is produced in accordance with a notice given under paragraph 1.2, the Registrar or the Registrar’s delegate may do one or more of the following:

   (a) inspect the Document; or

   (b) make a copy of, or take an extract from, the Document; or

   (c) retain the Document for as long as is reasonably necessary for the purposes of the Compliance Examination to which the Document is relevant.

2.2 If requested by the ELNO, as soon as practicable after the Registrar or the Registrar’s delegate retains a Document under paragraph 2.1, the Registrar or the Registrar’s delegate must give a receipt for it to the Person who produced it. The receipt must identify in general terms the Document retained.

3 Return of retained Documents

3.1 The Registrar or the Registrar’s delegate must as soon as reasonably practicable return an original Document retained under paragraph 2.1 to the ELNO, if the Registrar or the Registrar’s delegate is satisfied that its continued retention is no longer necessary.

3.2 The Registrar or the Registrar’s delegate is not bound to return any Document where the Document has been provided to any police authority or anyone else entitled to the Document pursuant to any law or court order.
4 Access to retained Documents

4.1 Until an original Document retained under paragraph 2.1 is returned to its owner, the Registrar or the Registrar’s delegate must allow a Person otherwise entitled to possession of the Document to inspect, make a copy of, or take an extract from, the Document at a reasonable time and place decided by the Registrar or the Registrar’s delegate.

4.2 Paragraph 4.1 does not apply if it is impracticable or it would be reasonable not to allow the Document to be inspected or copied or an extract from the Document to be taken.

5 Costs

5.1 If the ELNO is found to be in material breach of the Operating Requirements, the ELNO must, if required by the Registrar, pay all reasonable fees and Costs incurred as a direct result of the Registrar or the Registrar’s delegate carrying out the Compliance Examination. If the ELNO is not found to be in material breach, such fees and Costs will not be recoverable from the ELNO.

5.2 The Cost of all actions required to be taken by the ELNO to remedy any breach of these Operating Requirements identified by the Registrar or the Registrar’s delegate is to be paid by the ELNO.
1 Amendments with prior consultation

1.1 Any amendment to these Operating Requirements must be the subject of good faith consultation by the Registrar with the ELNO before the amendment comes into effect.

1.2 Each amendment must be notified to the ELNO at least 20 Business Days before the amendment comes into effect. The notification must contain the date the amendment comes into effect.

2 Amendments without prior consultation

2.1 The Registrar may determine that an amendment to these Operating Requirements need not be the subject of prior consultation or notification in accordance with paragraph 1 before the amendment comes into effect, if the Registrar determines in good faith that:

(a) such a course is required by law; or

(b) an emergency situation, as referred to in the ECNL, exists.

2.2 Notwithstanding paragraph 2.1, each amendment must be notified to the ELNO as soon as reasonably practicable before the amendment comes into effect. The notification must contain the date the amendment comes into effect.
SCHEDULE 7 – SUBSCRIBER IDENTITY VERIFICATION STANDARD

1 Definitions

In this Subscriber Identity Verification Standard, capitalised terms have the meanings set out below:

**Application Law** has the meaning given to it in the ECNL and in South Australia is the *Electronic Conveyancing National Law (South Australia) Act 2013* (SA) and in Western Australia is the *Electronic Conveyancing Act 2014* (WA).

(a) a general insurer within the meaning of the Insurance Act; or

(b) a Lloyd’s underwriter within the meaning of the Insurance Act and to which section 93 of the Insurance Act continues to have effect; or

(c) a person to whom a determination is in force under section 7(1) of the Insurance Act that sections 9(1) or 10(1) or 10(2) of the Insurance Act do not apply.

**Australian Passport** means a passport issued by the Australian Commonwealth government.

**Category** means the categories of identification Documents set out in the table in this Subscriber Identity Verification Standard paragraph 4, as amended from time to time.

**Costs** include costs, charges and expenses, including those incurred in connection with advisers.

**Document** has the meaning given to it in the ECNL.

**ECNL** means the Electronic Conveyancing National Law as adopted or implemented in a Jurisdiction by the Application Law, as amended from time to time.

**ELNO** has the meaning given to it in the ECNL.

**Identity Agent** means a Person appointed in writing by an ELNO to act as the ELNO’s agent, and who:

(a) the ELNO reasonably believes is reputable, competent and insured in compliance with the insurance requirements set out in paragraph 9 of this Subscriber Identity Verification Standard; and

(b) is authorised by the ELNO to conduct verification of identity on behalf of the ELNO in accordance with this Subscriber Identity Verification Standard.
Identity Agent Certification means a certification in substantial compliance with the certification set out in paragraph 9 of this Subscriber Identity Verification Standard, as amended from time to time.

Individual has the meaning given to it in the ECNL.

Jurisdiction has the meaning given to it in the ECNL.

Participation Agreement has the meaning given to it in the ECNL, as amended from time to time.

Person has the meaning given to it in the ECNL.

Person Being Identified means any of the Persons required to be identified under Operating Requirement 14.1 and this Subscriber Identity Verification Standard.

Photo Card is a card issued by the Commonwealth or any State or Territory showing a photograph of the holder and enabling the holder to evidence their age and/or their identity.

Potential Subscriber means a Person who has applied to be a Subscriber.

Record has the meaning given to it in the ECNL.

Subscriber Identity Verification Standard means the standard for the verification of identity of potential Subscribers set out in this Schedule 7, as amended from time to time.

Who must be identified

The identity of the following Persons must be verified by an ELNO in accordance with this Subscriber Identity Verification Standard:

(a) where a Potential Subscriber is an Individual, that Individual;

(b) without limiting paragraph 5, where the Potential Subscriber is a partnership, the authorised Person or Persons signing the Participation Agreement on behalf of the partnership;

(c) without limiting paragraph 6, where the Potential Subscriber is a body corporate, the authorised Person or Persons signing the Participation Agreement or witnessing the affixing of the seal on the Participation Agreement on behalf of the body corporate;

(d) without limiting paragraphs 7 and 8, where the Potential Subscriber appoints an attorney to sign the Participation Agreement, the attorney.

Face-to-face regime

The verification of identity must be conducted during a face-to-face in-person interview between the ELNO or the Identity Agent and the Person Being Identified.
3.2 Where Documents containing photographs are produced by the Person Being Identified, the ELNO or the Identity Agent must be satisfied that the Person Being Identified is a reasonable likeness (for example the shape of his or her mouth, nose, eyes and the position of his or her cheek bones) to the Person depicted in those photographs.

4 Categories of identification Documents and evidence retention

4.1 At the face-to-face in-person interview described in paragraph 3.1, the ELNO or the Identity Agent must ensure that the Person Being Identified produces original Documents in one of the Categories in the following table, starting with Category 1.

4.2 The ELNO or the Identity Agent must be reasonably satisfied that a prior Category cannot be met before using a subsequent Category.

4.3 The ELNO or the Identity Agent must:

(a) sight the originals of all Documents from Categories 1, 2, 3 or 4 produced by the Person Being Identified; and

(b) retain copies of all Documents produced by the Person Being Identified.

4.4 The Documents produced must be current, except for an expired Australian Passport which has not been cancelled and was current within the preceding two years.
